

G1 GLOSSY

Description:

G1 Glossy by Innovacar is a quick and easy to apply car wax that does not leave marks or stains. Thanks to a revolutionary combination of wax and polymers, it has the following characteristics:

- **Quick and fast application:** its formula has been designed to be applied quickly and easily, allowing it to be used with either a microfibre cloth, an applicator or a soft polishing pad.
- **Silk effect:** the incredible silk effect of the treated parts is noticeable to the touch, which will make the bodywork extremely smooth and velvety.
- **Water repellency:** applying G1 Glossy protects the surface and leaves a water repellent effect.
- **Extra Gloss and mirror effect:** the end result is a deep shine with an emotive mirror effect.

Directions for use:

How to apply G1 Glossy nanotechnology wax:

1. Apply a moderate amount on a microfibre, applicator or on a soft black pad with a roto-orbital polisher with a low rpm value.
2. Apply on the surface, all over the car in circular movements.
3. After application, wipe with a finishing cloth.

Use: use the product undiluted.

Caution:

When handling the product, follow the instructions in the safety data sheet.

Technical features:

Appearance and colour: white liquid

Odour: characteristic

pH: $9,0 \pm 0,5$

Flash point: $> 65^{\circ}\text{C}$

Boiling point: 100°C

Relative density: $1.25 \text{ g/cm}^3 \pm 0,05$

Solubility in water: insoluble

Storage:

Unopened and stored at room temperature away from direct sunlight.

Packaging:
